Its Use For Kidneys.

JESUP, GA., May 26, 1887.

I have been suffering from kidney disease for a month past, and the pain in my back was very severe. My occupation requires a good deal of writing at night and I suffered all the time. I saw one man who said he was cured by Botanic Blood Balm, (B B B) and I commenced using it, and the pain is a great deal less. I have only used two bottles and believe it will effect a cure by the use of a few more bottles. Yours respectfully.

Mr. M. S. Hamlin, Winston, N. C. writes: "I use it every spring. It alloways builds me up, giving me appetite and digestion, and easy of mind."

Mr. C. E. Mitchell, West 23d St. Ferry, New York writes: "I weighed 116 pounds when I began taking your medicine, and now 152 pounds. I would not be without S S S for several times its weight in gold."

The election of Cleveland and Thurman in November will be no "walk over," as many believe. Their nomination by acclamation will have a tendency to make the party sit idly by with folded hands, gulled into fancied security by the talk of over zealous papers and men, while the trirky g. o. p lay their traps in the dark to catch the unwary. Nothing in the way of money and workers will be spared by the republicans to undo that "long-felt want" -honest government, under which we are now prospering. Although the republicans are apparently at sea in regard to candidates, they have much good and serviceable timber from which to select their standard bearers.
